Training Opportunities

MPR Staff can conduct a variety of training sessions on-site for Members. In addition, training is periodically conducted at committee meetings. Sample training topics which can be performed on-site for Members include:

- | | |
|------------------------|-------------------------------|
| Accident Investigation | Lock Out Tag Out |
| Back Injury Prevention | Personal Protective Equipment |
| Blood Borne Pathogens | Public Official Liability |
| Chainsaw Operation | Respect in the Workplace |
| Confined Spaces | Sewer Response |
| Defensive Driving | Supervisor's Survival Skills |
| Discrimination | Swimming Pools |
| Distracted Driving | Trenching & Shoring |
| Fall & Slip Prevention | Traffic Control |
| Harassment Prevention | Workplace Violence |
| Hazard Communication | Many Other Topics |

Please contact your Risk Management Advisor or any of the Risk Management staff at (816) 292-7530 to set up your training.
